We ask all people working at WSC to assist us by being aware of actions prohibited by our College Code of Conduct and ensuring that they have a current 'Working with Children Check' as required.

We will:

1. Respect the rights of all members of the College community and behave in a way that includes, supports and endorses all Wellington Secondary College's policies and protocols
2. Respect the physical, intellectual and emotional wellbeing of all young persons at all times
3. Behave in a way that does not interfere or impact on the young person's life outside of the specified school activity
4. Not participate in any online conversation, videoing or imaging of young persons, including the taking of photographs without explicit permissions from the College
5. Not work with young people while under the influence of alcohol or illegal substances
6. Not use inappropriate, offensive and divisive language at any time
7. Not discriminate against young people on the basis of gender, religion, race, culture or ability
8. Not engage in any unnecessary or unlawful physical, psychological or emotional contact with a young person for any reason which may include the development of 'special' relationships, gifting or inappropriate attention.
